

## Business Systems Analyst

**Company:** PRMA Consulting Ltd

**Location:** Fleet, Hampshire

**Type:** Permanent

**Salary:** On application, and commensurate with experience

**Benefits:** Competitive salary, performance-related bonus, pension, life insurance, private healthcare, group income protection, perkbox (discounts including shopping, cinema and restaurants), flexible working

It is an exciting time at PRMA, with the recent launch of our digital platforms generating significant excitement from the industry.

We are looking for a Business Systems Analyst to gather and analyse business and system requirements across the PRMA platforms. This role will translate these into Use Cases that adequately communicate the requirements for a development team to deliver against.

You will be an experienced Business Systems Analyst with strong stakeholder management skills, experience of Requirement Workshops, User stories, wire framing, story boarding, UML and walkthroughs.

This is a new position in a top consultancy providing market access solutions to the pharmaceutical industry, you can expect a rewarding career with fantastic opportunities for progression, recognition and a flexible working environment to give you the work life balance you need to perform at your best.

If you have strong project management skill, are PRINCE certified and from a pharmaceutical background, we'd love to hear from you.

### About us

PRMA Consulting is a fast-growing company specializing in the pricing, reimbursement, and market access of pharmaceuticals. We work with our clients to deliver strategic solutions that maximize the market opportunity for their products.

We are headquartered in the UK, with overseas offices in the US and Greece, and country experts around the world. Our clients include the top-20 global pharmaceutical companies and biotechnology, medical device, and diagnostic companies.

PRMA Consulting provides a stimulating and challenging work environment, and clear career progression for self-motivated, talented individuals. We have a strong focus on quality and encourage everyone to take ownership and responsibility of projects whilst working across and within teams. We offer rapid career enhancement and personal development for the right candidate, along with the opportunity to work alongside an international and diverse group of talented professionals.
