HTA Submission Content Manager

It is an exciting time at PRMA, with the recent launch of our digital platforms generating significant excitement from the industry.

The PRMA Navigator is a revolutionary solution for producing and coordinating HTA submissions. Within the Navigator, evidence from value dossiers and other supporting documents is directly mapped to submission templates from the major HTA agencies.

We are looking for a HTA Submission Content Manager to assist in the preparation and update of templates and mapped content for the Navigator. The Content Manager will also be required to edit and format the submission templates and supporting materials for the Navigator, such as value dossiers and clinical study reports. The role will contribute to the delivery of projects to our clients, be responsible for the quality of the content that populates the Navigator, and assist with general market access consultancy projects as and when required.

You will need proficient editing experience and excellent working knowledge of Microsoft Office and Endnote.

This is a new position in a leading market access consultancy providing solutions to the pharmaceutical industry, you can expect a rewarding career with fantastic opportunities for progression, recognition and a flexible working environment to give you the work life balance you need to perform at your best.

If you are familiar with clinical data and large technical documents, and can demonstrate exceptional attention to detail, we'd love to hear from you!
